PTO News

The April PTO meeting is an allocation meeting. Come find out what's going on at Horizon. This will be an allocation meeting, which means this is when we decide what projects to fund for next school year. You need to have attended three meetings and be a PTO member in order to vote. We meet in the Learning Center at 6:30 p.m.

Horizon raises funds for CF

Mrs. White, one of Horizon's beloved teachers, has a son with cystic fibrosis. The PTO would like to thank all those who bought raffle tickets for the Cystic Fibrosis Foundation raffle put on by the **Horizon Student Council**. The raffle raised \$1700 for the CF Foundation. Cystic fibrosis is a chronic disease that affects the lungs and digestive system of about 30,000 children and adults in the U.S. and the CF Foundation has been the driving force behind the pursuit of a cure. Way to go Horizon!

Cub Scout Recruitment

Cub Scout Pack 51 will be hosting an Open House on Thursday, April 21st at 6:30pm in Horizon's multipurpose room. All interested kindergarten through third grade boys and their adult partners are invited to attend. If you have any questions, please contact Larry Fleig at 630-483-9866. We hope you will attend and learn how much fun it is to be a **Cub Scout**.

Campbell's LFE update

With all of the **UPCs** collected so far this year, we were able to order several items for our classrooms. After a random drawing from the teachers' wish list, we ordered the following items: a "Times Medieval" DVD (Ms. Olson), a CD player (Mrs. Klopping), a Miriam-Webster Dictionary (Mr. Mislevy), and a Red Badge of Courage read-along book (Mrs. Tamburello). Thank you for making this possible! Please continue sending those Campbell's **UPCs** and drink caps in. We will collect them through May 13.
